NEXT COOKOUT/MEETING DATE: *SAT., 27 JUN 2020 at 10:00 AM*****

HAPPY FATHER'S DAY TO ALL THE DADS!

President's Message:

Hi Everyone!

Our June cookout/meeting is **ON!** In addition to holding our gathering outdoors at my hangar, I am also asking everyone who attends, to bring your own food/snack (and a chair), but we will also have food and water and soft drinks available if you let us know that you will be attending. As we've done in the past, please park outside of "EMERGENCY GATE #8," on Lindbergh Dr., near the t-hangars, and someone will let you in at the walk-through gate. Our special guest, Mark Scott, President of Ch. 27 in Meriden, will also be flying over their RV-12 (which is REALLY the special guest!) so we can see what ours will look like when it's ready to fly! This will be a fantastic opportunity!

Since our last newsletter, when I spoke of our Ray Scholar, Daniel Royer being close to earning his Private Pilot certificate and Joe Cassineri being close to his first solo, both Joe and Dan have been successful!

Daniel passed his Private Pilot check ride on Wednesday, June 3rd, 2020 and Joe successfully flew his first solo 12 days later on Monday, June 15th! CONGRATULATIONS to them both for their accomplishments and all they bring to our Chapter!

Daniel with his parents Michelle and Erick Royer

Joe Cassineri

In addition to our cookout, we will discuss the progress of our RV-12 build area in H2 and the next steps for our RV-12. We will also discuss the potential of holding a JULY meeting, since there is no Oshkosh this year.

I hope to see you all next Saturday as we slowly attempt to return to some normal EAA Chapter 166 activities!

BLUE SKIES!

-Steve Socolosky
