NEXT MEETING/COOKOUT DATE: *SAT., 29 AUG 2020 at 10:00 AM*** AT STEVE'S HANGAR**

President's Message:

Hi Everyone!

As summer continues to boil on, we are once again planning on holding our third outdoor Chapter meeting next Saturday at my hangar. Please bring your own food/snack, chair and a face mask, but we will also have coffee, water and a small grill to cook your own if you'd like. As we've done in the past, please park outside of **EMERGENCY GATE #8, on Lindbergh Dr.**, near the t-hangars, and someone will let you in at the walk-through gate. We will be discussing how we are going to schedule RV-12 builder training, so if you are interested in learning how to build our RV-12, please join us so we can have your input on availability and what skills you may or may not already have.

Carol Baker, whose son Yoseph, is a student member and Young Eagle, will be bringing a few coffee mugs and t-shirts with our logo. We are hoping to find out what members would like to purchase and everything Carol brings will be for sale! Carol will speak a little about what else she can make, also. Thank you, Carol!

We had a few winners on identifying our very own Ken Benson in last month's newsletter, seen here as a Lieutenant in pilot training (my apologies, Ken! I mistakenly said "cadet" in my caption). Besides flying combat missions in F-4 Phantoms in Vietnam, Ken was also one of only five Pratt & Whitney employees to fly the (click the following link for Ken's video)

[B-52 test bed](#) for the JT-9, seen here also.

I hope to see you all Saturday!

BLUE SKIES!

-Steve Socolosky

Thanks to Mark Scott and Dave Rich for bringing their RV-12!

Mikey Leone (Linc's grandson) at the controls!

Mark Scott telling us about the RV-12.
